# LEADERSHIP DELEGATION TO SACRAMENTO

2023

Lead the charge as the San Diego Regional Chamber of Commerce heads to Sacramento to bring local, regional, and state leaders together to discuss policy priorities that are in the best interest of business and job creation in the San Diego- Baja mega-region.

The trip to Sacramento is critically important in sharing the needs of San Diego's binational business community with elected officials and agencies at the state level. It is up to us to make sure that our leaders in Sacramento understand how to help businesses grow by making our voices heard on the issues that are pertinent to our mega-region.

The policy areas and issues we will be addressing on the trip include:

- Housing
- Budget Priorities
- Transportation & Infrastructure
- Healthcare
