STATEMENT REGARDING CHARGERS STADIUM PLAN

SAN DIEGO (March 24, 2016) – Today the San Diego Regional Chamber of Commerce Board of Directors voted in support of evaluating a plan for a non-contiguous expansion and a multi-use sports complex that would continue the revitalization of the downtown area, while also maintaining support of contiguous expansion. The Chamber has released the following statement from president and CEO Jerry Sanders:

“The San Diego Regional Chamber supports the pursuit of a viable alternative for the development of a multi-use sports complex and convention center that would continue the revitalization of downtown.

The Chargers are important to San Diego, and we need to do what we can to keep the team here while also attracting convention business and tourism dollars to our city.

We look forward to evaluating this plan together with our partner organizations to determine the best path forward.”

- Jerry Sanders, San Diego Regional Chamber of Commerce President and CEO
