About San Diego Sports Entertainment Center: Locally established in 2014, the San Diego Sports Entertainment Center is a 36,000 square foot, multi-purpose, indoor facility located in Barrio Logan/EastVillage in downtown San Diego. The San Diego Sports Entertainment Center has thrived under the leadership of its owner and CEO Diana Ocampo and her Total Combat Paintball business resulting in Diana being presented the 2016 “Cinderella Story” Small Business Award by the San Diego Regional Chamber. In partnership with successful entrepreneur and real estate developer Shawn Heyl, plans are now to expand the Virtual Play Zone’s 8,000 Sq. Ft. of Virtual Reality attractions to include Virtual Reality BEAMS for kids and even an adjacent adventure park coming late December 2016. Diana and Shawn are also looking at Virtual Play Zone locations in other cities with plans to go national over the next 2 years.
