

2022 CHAMBER DELEGATION TO SACRAMENTO

MAY 16 & 17

Lead the charge as the San Diego Regional Chamber of Commerce heads to Sacramento to bring local, regional and state leaders together to discuss policy priorities that are in the best interest of business and job creation in the San Diego- Baja mega region.

The trip to Sacramento is critically important in sharing the needs of San Diego's binational business community with elected officials and agencies at the state level. It is up to us to make sure that our leaders in Sacramento understand how to help businesses grow by making our voices heard on the issues that are pertinent to our mega region.

The policy areas and issues we will be addressing on the trip include:

- Regulatory & Tax Reform
- Infrastructure Funding
- Transportation & Transit
- Water Issues
- Workforce Training
- International Trade & Commerce
- Tourism
- Affordable Housing
- Healthcare
