TACO BELL FOUNDATION LIVE MÁS SCHOLARSHIP X SUMMER OF CREATIVITY 2022

This year, the Taco Bell Foundation is engaging Live Más Scholars in Summer of Creativity programming including the first, in-person conference in San Diego for 100 Scholars from July 11-14 and 3 weeks of virtual programming from July 18 through August 5!

Across all summer events, we are supporting Scholars in cultivating the skills, connection, confidence, and community needed to boldly pursue their passions. We invite you to check out the volunteer opportunities this summer, and we look forward to engaging with you, too!
