

Joining the Chamber provides your organization with direct access to the region’s most active business advocacy organization. Tap into our team of industry experts who can assist with issues and legislation that specifically affect your business. Contribute to the Chamber’s pro-business policy agenda and help shape the policies affecting Cali-Baja’s business climate through participation in our policy committees, delegation trips, and exclusive events. Members also enjoy discounts on LEAD San Diego’s suite of leadership development programming for all members in your organization. **Join us!**
