

# Membership Benefits

Joining the Chamber provides your business with direct access to the region's most active business advocacy organization and our approximately 2,000 members throughout the San Diego region and Baja, California. Keep up on current legislative news and policies affecting your business from the Chamber's team of industry experts. Build your network and business-to-business connections at our referral networks, monthly mixers, and special events. Strengthen your skills through our various educational workshops on topics relevant to the challenges businesses face today. Members also enjoy discounts on LEAD San Diego's suite of leadership development programming for all members of their company. **Join us!**
