

Meet **Vonstaff**, a cutting-edge self-management platform designed to streamline administrative and personnel management.

Unlike other solutions, Vonstaff ensures rapid updates—fixes and improvements happen in just days! Plus, users get direct support from a real person, making implementation seamless.

Exclusive Beta Test Invitation

Vonstaff is offering **five companies** the chance to participate in its testing phase **free for three years!** This is a unique opportunity to shape the platform to meet your needs.

Key Features:

- ✓ Timesheet Management
- ✓ Leave Management
- ✓ Document Management
- ✓ Customizable Features Based on Your Needs

This isn't a managed service—it's built for **self-management**, empowering teams to handle their processes efficiently.

Interested in joining? Let us know if you'd like to be one of the five companies testing Vonstaff!

Please email us at support@vonstaff.com so we can include you in the program. The first 5 companies that subscribe will receive the three years free.

For the rest that subscribe with this email, we will ensure 3 months free.
