Date: Tuesday, May 5, 2026

Location: SDG&E Century Park East

Time: 9:00 - 12:00 PM

Estimated Attendance: 80 - 100

Event Overview:

The Small Business Success Summit is a one-day event designed to connect small businesses and provide valuable insights on maximizing small business resources available locally and beyond. This event brings together local entrepreneurs, business professionals, and industry experts to share experiences, discuss best practices, and offer practical strategies for success.

The agenda features keynote speeches, networking sessions, and an exhibition area where small businesses can showcase their products and services.
